Publication date: 17 April 2026, Post number: 31034167

The United Nations Framework Convention on Climate Change (UNFCCC) is the focus of the political process to address climate change. The UNFCCC secretariat supports the Convention, its Kyoto Protocol and the Paris Agreement through a range of activities, including substantive and organizational support to meetings of the Parties and the implementation of commitments. It is a dynamic organization working in a politically challenging environment to help resolve one of the defining environmental issues of our time.

Where you will be working

The position is located in the Programmes Coordination (PC) Department of the UNFCCC secretariat in Bonn, Germany, and is responsible for providing efficient administrative services, support and guidance to the department and divisions in relation to human resources, budget and financial management, and procurement. The Administrative Officer reports to the Programmes Coordination Team Lead, P-4, of the Programme Administrative Team (PAT).

Your responsibilities

Within delegated authority, the Administrative Officer will be responsible for the following duties:

1. Human Resource Management

- a. Effectively coordinates actions relative to the administration of human resource activities, e.g., recruitment, placement, promotion, performance appraisal, job classification reviews, separation of staff members, training etc., ensuring consistency in the application of UN rules and procedures.

2. Budget and Finance

- a. Takes the lead with respect to the preparation and implementation of the work programme, ensuring that financial resources are utilized to implement activities in accordance with the Programme Budget and allotments issued.
- b. Monitors and reviews the work programme and budget by conducting regular and special reviews to assess progress of actual work versus the programme plan. Coordinates the production of programme reports.
- c. Defines requirements and works with department divisions with respect to improving budget reporting systems and cost-effective utilization of program resources.
- d. Liaises with donor counterparts at technical level to support fundraising efforts and for adequacy of technical reporting in order to meet donor requirements and ensure accuracy and integrity of documentation.

- e. Develops, reviews and assists in improving procedures, administrative operations and internal guidelines and implements same to ensure that accounting and financial management controls are consistent with UN policy and practice.
- f. Supervises and/or provides guidance on financial administration and management information issues and practices to colleagues.

3. General Administration

- a. Oversees work related to procurement, billing and receipt of income from various services, operational travel programme, procurement monitoring and evaluation of vendor contracts/payment to vendors and individual contractors for services.
- b. Provides support in preparing agreements and arrangements for collaboration with other UN organizations, potential donors, beneficiaries and host countries.
- c. Reviews adequacy of departmental space requirements.
- d. Oversees the identification of office technology needs and maintenance of equipment, software and systems, coordinating enhancements as necessary.

4. Performs other related work as required.

Competencies:

Applying Professional Expertise: Demonstrates a working knowledge and interest in the substantive functions of the work unit, including those not within own area of expertise; Manages effectively and fairly across different substantive functions to establish integrated, multidisciplinary teams to address complex issues; Coordinates the input of different functional specialists to achieve sound, integrated solutions; Drives others to develop their functional and substantive skillsets, and to build their understanding of related disciplines; Maintains and disseminates an understanding of best practice standards in all substantive areas represented within the work unit.

Being Accountable: Oversees the responsible use of the UN funds, assets and resources, and identifies ways to increase efficiency and effectiveness; Ensures that work delivered by the team is complete, accurate and of the highest quality; Promotes compliance with UN rules and regulations, and articulates the benefits of established procedures; Actively builds a climate of accountability among all staff in the team; Promptly and systematically addresses lapses in accountability within the work unit.

Being Responsive to Clients and Partners: Identifies the work unit's key partners and clients, and communicates information about these groups regularly to staff members; Takes swift action to address insufficient client service; Works with partners and clients to define client service standards, monitors the work unit's performance and reviews standards on a regular and ongoing basis; Thinks ahead to anticipate the needs of clients and other key stakeholders; Focuses systems and processes on the delivery of excellent client service, and acts quickly to address any barriers to success.

Managerial Competencies:

Exercising Sound Judgment and Decision-Making: Makes decisions in line with overall organizational priorities and department / office goals; Consults with stakeholders on decisions that affect them; Consults with stakeholders on decisions that affect them Demonstrates the ability to make and defend difficult decisions; Identifies urgent decisions and makes them expeditiously in light of available information; Shows openness to reconsider a course of action as a situation evolves and to modify decisions if that would allow for a better outcome; Identifies the key issues in complex situations, and gathers relevant facts, data and evidence to fully address those issues. Considers the

positive and negative impact of decisions, and analyses the different options and alternatives before reaching a sound conclusion.

Your qualifications

Educational Background:

Required: Advanced university degree (Master's degree or equivalent) in business or public administration, finance, accounting, social sciences or related area. A first-level university degree in combination with an additional two-years of qualifying experience may be accepted in lieu of the advanced university degree.

Experience:

Required: A minimum of five years of progressively responsible relevant experience in programme management, administration, finance, accounting, or related field. Supervisory experience required.

Language skills:

Required: Fluency in English (both oral and written) is required.

Desirable: Knowledge of other UN official languages is an asset.

Other

Specialized expertise in monitoring and evaluation in particular with respect to programme planning and development, project implementation, results-based budgeting, financial management and programme administration. Knowledge of SAP or other ERP system for financial and accounting modules is required. Knowledge of the Umoja system is an asset. Knowledge of UN administrative policies, regulations and rules is highly desirable.

What is the selection process?

Evaluation of qualified candidates may include an assessment exercise which may be followed by a competency-based interview. The above listed set of competencies will be applied for this particular post.
